I have always been a pretty busty girl. In the past, I have tried hiding it because the boys in school just stared and the professors couldn't concentrate on the class. So nowadays I just let them both loose, and found ways to put them to good use.

POUNDING AWAY THE EXTRA POUNDS

Can you imagine being in a ménage à trois with two partners whose total weight is more than four times as much as yours? I was and it happened on an exercise mat at a very special weight loss spa.

Ben, a bank executive in his middle-forties, had his fat hard cock inside me, fucking away with all the energy of a baby elephant in heat. Gene, a heavyweight car salesman, hovered above my head with his cock in my mouth. As I sucked, he effectively fucked my lips by rocking back and forth on his knees.

This was the first time in my life I'd been in a threesome with two guys so vastly overweight, but I found myself enjoying the sex as much as I would have with two hunky studs. Both Ben and Gene knew how to fuck, and as we went at it fast and furious, the major difference between this three-way and others in my past was that the guys were sweating profusely. Ben spurted hot cum into my cunt at the same moment that I had a delightful orgasm, and moments later Gene came in my mouth.

As the men pulled away from me with limp dicks, I saw Julia standing nearby. She'd been watching intently and said, "Now you know the basic

method behind our weight-reducing exercises."

We went to her office to continue the chat. When I first arrived at Julia's spa approximately a half hour earlier, she'd explained that one of their policies was to require each client to move around the premises entirely naked, to make him or her more aware of their excess weight. She'd asked if I would comply, and since the understanding had been that I would conduct an X-rated interview, I had agreed and disrobed, putting all my clothes in a locker in the dressing room. There were mirrors all over the place, which were very effective at making people feel self-conscious of their appearances.

Perhaps I should explain that I personally have never had a weight problem. I weigh a little over one hundred pounds, and since I wear a 38D bra, my breasts sometimes seem to be my biggest asset. For what it's worth, I am strawberry blonde, five-foot, five-inches tall, and guys have called me "sexy."

I've had a number of jobs in my lifetime: I tried nude modeling for a while and I'm not ashamed to admit that during a financial pinch in one large city, when it had been impossi-

ble to find other employment, I worked as an escort to keep my head above water. I've also been a topless dancer and an "exotic" dancer. I starred in a couple of porn flicks and also modeled for some porn magazines.

I never think of myself as "liberated"; I just think of myself as a chick that goes ahead and does what she wants to do. I'm uninhibited and when I see someone I want to fuck, I make sure we wind up fucking if possible. Since I've done various forms of writing in the past and have been a news reporter, I decided to combine my talents and inclinations and try something I call "X-rated interviewing," in which I fuck and suck the interviewees.

In Julia's office, as we had coffee, she explained:

"We select our clients carefully. We don't advertise and this will be only the second time we've been interviewed in four or five years."

"Who was the other reporter?" I asked.

"He wasn't a reporter for a newspaper. He was doing a series of interviews similar to the one you're doing."

"So how do you get new clients, if you don't advertise?"

"We take on new clients through

the recommendations of previous clients. We have to be discreet and selective, since we use sexual incentives to help clients lose weight. In fact, we have each new client engage in sex during their first session. If you want, we can go on with the interview by letting you see some new members who are having their first session right now..."

I followed Julia into a narrow room lined with glass that was obviously one-way, appearing as mirrors in the other rooms. "Eric is giving a newcomer, Bev, her first session," Julia said, and we stopped at a section that looked into a small room with a scale and a couch. Julia added, "Eric is one of our best instructors."

The woman had a pretty face and would have been very attractive if she had lost some weight. As we watched, Eric asked her to stand on the scale. He weighed her and recorded the figure on a chart. They then went to the couch and sat side by side. Eric went into a polished "lecture," saying he would personally keep track of her chart. He told her to lose weight steadily and be able to record a lesser figure each week.

"You were recommended by your friend, Cyndi. I remember her. Did she explain our incentive program?" he asked.

The overweight Bev giggled. "She said I could do anything with the instructors if I kept losing weight. If not..." Bev was shyly glancing at Eric's limp but sizable dick.

"Why don't we get acquainted?" Eric suggested. He slipped a hand over to Bev's pussy and began playing with it. She shyly moved one of her hands to his cock and fondled it. When he was fully erect, he began fucking her. After a short time he stopped, withdrew,

and lay on the couch on his back with his pole aimed at the ceiling. "You do the work this time," he said.

Bev obediently climbed on top of him and impaled herself. She did the fucking, sliding up and down his hard cock, but soon she was huffing and puffing with effort. "Think how much easier that will be when you've lost 40 pounds," Eric said encouragingly.

We moved on to another section of one-way glass. "Bev will work out all right," Julia said in a low voice. "She wants to join the swinging scene. Almost all our clients want to get more than they're currently getting and weight is their largest handicap—no pun intended."

Julia had stopped in front of a room containing a beautiful female instructor and a man who said his name was George.

"My name is Amanda," the instructor introduced herself, and after a bit of chit-chat she asked the client to stand on the scale. The routine was much like the one we'd previously witnessed. Amanda and George sat together on the couch. She found him attractive but she would find him a hundred times sexier if he would lose weight during the reducing program.

She began playing with his cock.

It was already hard but hardened still more beneath her touch. George fondled Amanda's tits, grinning like a happy fool. "Would you like to fuck me?" Amanda inquired, spreading her legs to give him a better view of her cunt.

George nodded yes. "You can fuck me today, now, before we go on to the exercise rooms, but I won't let you fuck me next week unless you've lost five pounds," she said.

George nodded that he understood. As Amanda lay back on the couch, he didn't waste any time sticking his dick in her and starting to bang her. He came as we watched. When we moved on I questioned, "Do you think most of your clients come here for sex, or to lose weight?"

"Oh, it's definitely a combination of both," Julia replied. They want to get laid and lose weight. If they weren't interested in the sex they'd take some other type of weight-reduction program."

"Are most of your clients men or women?"

"Men. They far outnumber the women, which is why most of our instructors are females."

"I would like to interview, in a private room, one of your male clients who's been in the program for around a month," I said.

Julia agreed. Not long after, I was in a comfortable room with a dude named Arnold. I learned that he was married and the sales manager of a company that manufactured sump pumps. "Why did you decide to lose weight?" I asked.

"I wasn't satisfied with my life. My sex life. I travel sometimes and when out of town I had trouble picking up chicks because I was so damned fat. Prostitutes are always available but I want the pleasure of fucking women who are

into sex for fun, not profit."

"How did you hear about Julia's weight-reducing spa?" I asked.

"Through one of our salesmen. He now weighs in the area of 160. He had been almost 200 until he came here and lost 40 pounds. That's right. He told me about all the gorgeous chicks a guy can bang... if he loses only 5 pounds a week."

Have you fucked all the female instructors here?"

"I've fucked five of them," he said with a happy grin. "Now can I, uh, ask you a question? Julia said you do X-rated interviews. What does that mean?"

"It means I interview guys and chicks who are engaged in sexual situations while the sex is taking place."

"Do you, uh..." He glanced down at my pussy. I was sitting with my legs slightly apart, making no attempt to hide my moist, bare mound.

When he hesitated, I encouraged: "Ask anything you want."

"Do you fuck while you're working?" he finally said in a rush.

"That's what makes my interviews different: I fuck while interviewing."

Arnold was getting hard. I leaned back on the couch, sliding my hips forward until my cunt was at the edge, so he could kneel on the floor and bang me in that position. I spread my knees wide, smiling at him invitingly. He didn't waste a second getting into position and shoving his big dick into me to the hilt. As we fucked he said, "This is great. You know, you're a beautiful girl."

"Thanks." And, since I did have an interview to write I said, "Has your sex life improved since you lost 20 pounds?"

He looked down at his stiff cock as it slid in and out of my shaved pussy, then

he looked up at the remainder of my body. He was enjoying himself very much. "I've scored a couple of times on my last business trips, and a girl in the corporate office has acted more friendly since I lost the weight. But I don't think I'll get in her pants until I slim down some more."

I decided not to ask any more questions. I just enjoyed the fuck, although I wasn't turned on enough to come. But that didn't stop Arnold from shooting off like a firehose.

When I found Julia again she said, "Let me show you what we call the 'penalty box.' It's for those who didn't lose the required five pounds the last week." We went into a large exercise room, where male clients and two male instructors faced female clients and two women instructors.

They were all exercising furiously. I had no idea how long it had been going on, but at the sound of a bell everyone stopped and, except for the agile instructors, collapsed on the mats. "Since these people did not meet the quota, they're encouraged to relieve their sexual tensions personally with heavy masturbation," explained Julia.

The men began playing with themselves, starting to jerk off. Most of

them were staring at the shapely nude female instructors for excitement. The women began fucking themselves on their own fingertips. The scene was very erotic and exciting. They masturbated unselfconsciously, as if they had been indulging in group masturbation forever. When I made a comment to that effect, Julia explained, "The penalty box has a tendency to attract what we call repeaters—clients who can't quite meet the quota week after week, or some clients who slip. Let me show you our reward room for those who do meet their weight reduction quotas."

In a similar room, men and women were exercising but I could see at a glance that they were all slimmer than the clients in the other room. When the exercising stopped, everyone began to fuck and suck. There was some frantic scrambling to get the prettiest and most handsome partners. "Shall we join the fun?" asked Julia.

We worked our way into the crowd and were soon lying side by side, fucking. The men didn't know me but it didn't seem to make any difference; I suppose they assumed I was a new instructor. When the party broke up, I calculated that Julia and I had had at

least three dudes fuck our cunts to orgasm, not to mention all the ones that had fucked us and moved on. She led the way to her private shower and we both walked along the hall with streams of cum running down the insides of our thighs.

Julia paid me a compliment while we showered. "I like your style," she said. "If you ever want to work as an instructor here, I'll start you off at the top rate." I guess she liked the way I worked.

I seriously considered her offer but then decided I preferred to remain a freelance writer—and fucker.

Yes, I'm the type that wants it all day and all night. But since I work all week, I like to keep my weekends free. So, I'll grab a friend and we'll sequester away in a hotel room for the weekend. I only have one rule. No clothes allowed for forty-eight hours.

HOPE YOU CUM AS HARD AS ME!

MUST BE 18+

HONESTY IS THE BEST POLICY

It's a grim tableau—the destitute and downtrodden encamped beneath the overpass. I witnessed this five days a week during my morning commute. Hell, going to work was bad enough without being reminded of the city's homelessness problem.

I'm thankful that I'm not among them, sure. I'm gainfully employed and able to pay my rent. Still, I hate my job all the same. Just thinking about that hot kitchen (I'm a line cook at a local lunch spot) catapults me into the depths of despair.

That particular Monday was worse than usual. I had a slight hangover as I waited in traffic beneath the interstate. Gripping the wheel, I surveyed my dismally familiar surroundings. They were all over the place, some sleeping on the litter strewn pavement, others slouched in tattered lawn chairs and watching the world go by.

The light turned green. Traffic had just started to inch forward when I spotted her, a sign-waving homeless chick with dirty blonde hair.

She was hard to miss.

And her cardboard sign was

priceless . . .

WHY LIE? I NEED MONEY FOR COLD BEER

I burst into laughter, appreciating her brutally honest approach. A vast departure, I reasoned, from the typical HUNGRY PLEASE HELP sob story.

I was so impressed with the sign (not to mention her legs) that I wheeled to the narrow shoulder and rolled down my window.

"Hey," I said, reaching for my wallet, "nice sign."

She smiled. "Glad you like it."

A closer look told me that she hadn't been homeless for long. Her clothes (denim shorts and a white tank) were grimy, as was her hair, but she had nice teeth, a smooth complexion, and well toned legs. It was a hot day. She smelled ripe but I didn't mind. The pungent scent of lady sweat had always turned me on.

"Here." I handed her a five-dollar bill. "Get yourself a six-pack."

"Thanks!"

I was just about to pull away when she leaned in my window and asked if I would be so kind as to drive her to the convenience store.

...she had nice teeth, a smooth complexion, and well toned legs. It was a hot day. She smelled ripe but I didn't mind. The pungent scent of lady sweat had always turned me on.

"I would," I said, "but I'm already late for work."

"Ah, come on. My feet are killing me."

"I can't. Sorry."

"I'll suck your dick."

I did a double take.

"Do what?" I asked.

"I'll suck you off."

No, I realized, there was nothing wrong with my hearing. I had heard correctly. And I believed her, too. The sign attested to her honesty. This homeless hottie was a real straight shooter. The prospect was enticing. I hadn't gotten a blowjob in quite some time.

"Get in," I told her.

BLAIR-NTS-09

I parked in front of the store and waited while she went inside and bought her beer. She had left her cardboard sign on the floorboard. My dash clock read 8:01 a.m. I was officially late for work. But what was a man to do? Turn down a random hummer? I think not . . .

It struck me that I was contributing to her problem. It also struck me that I didn't feel the least bit guilty. I was a lousy line cook, not an addiction specialist.

I merged with the traffic on the frontage road. "Where should we—um—"

She peeled her tank and bra, liberating a nice set of tits. I sat there and watched her play with them. She squeezed the pliant flesh and tugged on her nipples, getting increasingly turned on.

I reclined my seat. She stopped playing with her tits and, licking her lips, refocused on my cock. My homeless hussy didn't waste time with the usual preliminaries, no prefatory licking of my shaft, no teasing my glans with the tip of her tongue. Oh no. She leaned over the center console and consumed me. Her head bobbed frenziedly, up and down, with manic speed.

I was close to shooting my wad when the beer chugging blonde came up for a breather.

"How am I doing?" she asked.

"Fantastic," I told her.

"You ain't seen nothing yet."

And she was right.

I hadn't.

Not until she wrapped her hand around my dick and resumed sucking me. The combination of her hand and mouth working in tandem,

pumping and priming my cock, pushed me over the edge. I grunted and shot a considerable wad.

Out of breath, I sat motionless and stared through the windshield. It wasn't long before she put on her tank and cracked open a fresh beer. She took a swallow. Then she retrieved her sign and sack of beer from the floorboard.

"Where are you going?"

"Back to work."

She opened the door and got out. It dawned on me that panhandling could be a job just like any other. I offered to drive her back to the overpass but she wanted to try her luck at a different spot not far from the carwash.

She returned with a six-pack of tallboys. I wasn't even out of the parking lot before she cracked open the first one and took a hefty pull.

"Ahhhhhhh." She wiped her mouth with the back of her hand. "Boy that's good."

She didn't offer me one. Not that I would have accepted. I loved my beer as much as the next guy, but it was far too early in the day to be drinking.

It didn't take a genius to deduce that she had a problem. After all, she was homeless and guzzling beer at eight o'clock in the morning. And, I mused, offering a total stranger a blowjob in exchange for a ride to procure said beer.

"Go straight. I'll tell you where to turn."

I drove for less than a mile before she directed me to a condemned coin-op carwash. The place had been closed for years, one of several dead businesses lining the shabby access road. It proved to be a great location as the concrete stalls provided concealment from prying eyes.

The homeless hottie was thirsty.

She was also hungry.

For my cock . . .

This became abundantly clear when she reached over, unzipped my work pants, and freed my prick.

"Oh yeah." She smiled. "It's been so long since I've had a cock in my mouth . . ."

"Be careful," I told her.

"You do the same," she said.

I drove on to work. As expected my boss gave me hell for being late. "Where in the hell have you been!?"

"Feeding the homeless," I said, which was true, in a manner of speaking.

— Curtis B., Oakland, CA

out from behind the counter. She comes over and says hello... I asked where she was from and she said "Vietnam." I said that she looked like she was Thai.

She said that her mother was Thai and her dad was Viet. Anyway, she took our order. We sat down in the empty cafe and we talked about

were getting harder and sticking out so visibly.

Nadi surely noticed and flirted some more. I asked her if she had a guy and she said 'no' as she was traveling around the world and preferred to find a boyfriend when she finished her adventure. This was a turn on and my lady got up to have stretch and flashed more of her sexy legs and breasts with her stretching. Nadi said that my lady had a great body and I said 'yes, she did.'

I also complimented Nadi that she had a great body too. My wife agreed and leaned forward, her top falling a little more open, exposing her boobs to Nadi who couldn't help but look.

Then Nadi stood up and pulled her top up, showing us her firm small breasts with perfect dark brown nipples.

"Do you like mine?" she asked and I said they were beautiful and that she had a great body. I asked if she thought my lady was hot and she said 'yes.' I said that maybe we should meet up after her work was done for a quiet drink and she said 'yes.'

Suddenly, some customers walked in and she had to go serve them. After a short time we went and paid our bill and I gave her our mobile number and she wrote hers out for us and gave it to me as her hand lingered on mine. She gave my hand a squeeze and then my lady and her gave each other a kiss on the cheek but my lady quickly moved her mouth over and gave her a kiss on the lips.

Nadi returned the kiss with a little tongue and then said that she will call after work. We then left and went home to get ourselves ready for the evening.

— Tate D., Ft. Worth, TX

Then Nadi stood up and pulled her top up, showing us her firm small breasts...

Recently, my lady and I went for a drive down the shore. She was wearing some short shorts and a see through top with no bra making her boobs and nipples were clearly visible through the material. Anyway we drove for about an hour and decided to stop by a cute little beach-side cafe.

We walked in we were both surprised to see a beautiful Asian girl in tight shorts and tank top come

how hot and sexy the waitress was. We were both getting probably a little too excited.

Then she comes back with our drinks and I ask her name and she said Nadi. I introduced ourselves, and she seemed to relax and flirt a little with us. Just little smiles and leaning over the table in front of us and showing some bare skin along her hips and back. Nadi said she would be back in a moment with the rest of our order.

She brought out our food and since no one was in the cafe, we asked her to sit down and join us. She sat down next to us and my lady was getting turned on as her nipples
